RE: \_\_\_\_\_ No. \_\_\_\_\_

To the Supplier of the Sketch Competition

RE: Regulations of the Sketch Competition  
and Annexes (procurement identification  
No. RDĪD 2011/28)

We are hereby informing about the received questions regarding the sketch competition regulations and annexes.

Question

Can it be considered that the land lot 01000232010 is a part of the square and propose a joint solution together with the square?

Answer

Regarding the square of Tallinas Street, please, see **the answer rendered on 26 May 2011** on the sketch competition website, in the section "Questions/Answers".

Question

In case of the older groups, instead of the basement/base floor locker room, can the locker rooms be planned for each group individually to go along with the group's premises?

Answer

Yes, subject to giving justified grounds to the designer regarding the Proposal.

Question

With respect to the programme of premises in Annex 1 "Gym room (one wall is mirrored) with equipment (for 24 children simultaneously), inventory storage room": Is it planned that the gym room simultaneously will be used by no more than 24 children?

Answer

The gym room (one wall is mirrored) with equipment **will be used simultaneously by 24 children.**

Question

Can short-term parking for the kindergarten be planned on the land lot 01000232010?

Answer

Regarding the Object territory and the square of Tallinas Street, please, see **the answer rendered on 26 May 2011** on the sketch competition website, in the section "Questions/Answers".
